"Simplifying the Complexities"

LABUAN CRYPTOCURRENCY EXCHANGE

Labuan Jurisdiction welcome anyone who are interested to set up a Compliant Cryptocurrency Exchange to operate in an offshore environment to enjoy lower tax and owned 100% without local Malaysian interference. Legalize your Cryptocurrency Exchange to operate in Labuan under the supervision and regulatory of Labuan Financial Services Authority. Competent KYC and compliance system for onboarding and maintenance on clients and ICO companies are recommended to plug-in to comply with Malaysia Anti-Money Laundering regulations and law to enable your business to stay long and prosperous.

For Labuan Cryptocurrency Exchange, you may build your exchange model to operate these activities with option e-wallet or decentralised features of your choice:

- ❖ **Cryptocurrency to Cryptocurrency**
- ❖ **Fiat Currency to Cryptocurrency**
- ❖ **Cryptocurrency to Fiat Currency**

Don't wait when you can start a Cryptocurrency Exchange today! Contact us today at contact@labuanbusiness.com or call +603-2161 0354 for appointment to explore further. We *"simplify the complexities"* of setting the Cryptocurrency Exchange Platform.
